**To: H.E. Mr. Terje Riis-Johansens
Mayor for Vestfold and Telemark County**

The delegation of the Hubei Provincial Government has recently returned to China since the end of the visit. On behalf of all the members, I would like to express my heartfelt thanks to you for your sincere invitation and warm reception!

The friendly cooperation and exchange between Hubei and Norway has been in existence for a long time. 13 years ago, Hubei Province established a friendly relationship with Telemark. The two sides have carried out a series of substantive cooperation in many fields such as tourism, economy, trade, environment, education and culture. The friendly relations were awarded by the National Friendship Association and became a model for China's international friendship regions. We believe that with our joint efforts, based on the traditional culture, tourism and education cooperation, we will have a fruitful cooperation in the fields of economy, trade, environmental protection and science and technology, and open a new chapter in the friendship!

Thank you again for your kind reception to the delegation. We sincerely invite you and Telemark entrepreneurs to attend the 3rd China Central Industrial Cooperation Forum and the 3rd Sino-Nordic Economic and Trade Cooperation Forum held next year. And you are warmly welcomed to visit Hubei at your convenience for sharing our friendship and cooperation!

Mr. Cao Guangjing (signed)

Vice Governor of Hubei Province
